

SELECTORS REPORT 2021-22

This season has been very difficult for the club and its members and as such has impacted adversely on the Selection Committee.

The difficulty your Committee had was reflected by the record number of players unavailable on several Saturday's this season and as a result we had to forfeit some games due to lack of numbers. This problem has resulted in only one team making the finals.

Many thanks go to Barb Cruickshank and Alan Butler for their tireless efforts in contacting every possible player on our lists and other clubs to see if they had any spares. A very onerous task indeed. A job well done. Barb and Alan also made sure they played wherever required. A very selfless effort.

This year the coach David Willey joined us as part of the selection committee and was our stats man he was a great assistance to the group.

The Selection Committee and we are sure that every member of the club was saddened by the unavailability of Bev Prindiville due to the onset of a MND. Bev was a great person on selection for her ability to look after the lower graded teams and her willingness to play anywhere and stand aside if someone looked likely to miss out on getting a game.

The Selectors would like to thank all the persons who helped us by stepping in at late notice, it was a big help.

We feel that this season was disappointing results wise but would like to think that it was good for the Club getting back to some sort of normality. Next season should be very interesting with the changes Bowls Vic are thinking of implementing and we hope you will all be available to help make 2022-23 bigger and better for Bentleigh.

Good Bowling to all!

Keith Ronaldson - Chairman of Selectors
